1 The Motion of Plaintiffs Charles Mikich, Jonathon Gordon, and all others similarly
2 situated (collectively “Plaintiffs”) for Preliminary Approval of a Class Action Settlement (the
3 “Motion”) was considered by the Court, The Honorable Garrett L. Wong presiding. The Court
4 having considered the Motion, the First Amended Joint Stipulation of Class Action Settlement
5 and Release of Claims (“Settlement” or “Settlement Agreement”), and supporting papers,
6 **HEREBY ORDERS THE FOLLOWING:**

7 1. The Court grants preliminary approval of the Settlement and the Settlement Class
8 based upon the terms set forth in the Settlement filed as an Exhibit to the Motion for Preliminary
9 Approval. All terms herein shall have the same meaning as defined in the Settlement. The Court
10 has determined there is sufficient evidence to preliminarily determine that (a) the terms of the
11 Settlement appear to be fair, adequate, and reasonable to the Settlement Class and (b) the
12 Settlement falls within the range of reasonableness and appears to be presumptively valid, subject
13 only to any objections that may be raised at the final hearing and final approval by this Court. The
14 Court will make a determination at the hearing on the motion for final approval of class action
15 settlement (the “Final Approval Hearing”) as to whether the Settlement is fair, adequate and
16 reasonable to the Settlement Class.

17 2. For purposes of this Preliminary Approval Order, the “Settlement Class” means
18 all persons Defendants employed in California as hourly, non-exempt employees during the Class
19 Period, which is the period of time from January 22, 2016 to October 31, 2022. The Settlement
20 Administrator has determined that as of preliminary Court approval of this Settlement there were
21 981 Settlement Class Members. The “Effective Date” means as follows: If no objection to this
22 Settlement or to any of the terms and or conditions of the Settlement are filed by Plaintiffs, another
23 member of the Settlement class, or any intervenor to this Lawsuit, the Effective Date shall occur
24 on the day that the Court enters an order of final approval of this Settlement; however, if any
25 objection to this Settlement or to any of the terms and or conditions of the Stipulation is filed by
26 a member of the Settlement class, or any intervenor to this Lawsuit, the Effective Date shall occur
27 upon the expiration of the time for the filing any appeal of the order of final approval of this
28 Settlement. If an appeal is filed or any writ granted, then the Effective Date shall occur after the

1 appeal has been dismissed or the writ dissolved and when there is no further time to appeal the
2 dismissal of the appeal or the dissolution of the writ. The occurrence of the Effective Date is a
3 prerequisite to any obligation of Defendants to pay any funds into the Settlement Account.

4 3. This action is provisionally certified pursuant to section 382 of the California Code
5 of Civil Procedure and Rule 3.760, et seq. of the California Rules of Court as a class action for
6 purposes of settlement only with respect to the proposed Settlement Class.

7 4. The Court hereby preliminarily finds that the Settlement was the product of
8 serious, informed, non-collusive negotiations conducted at arm's length by the Parties. In making
9 this preliminary finding, the Court considered the nature of the claims set forth in the pleadings,
10 the amounts and kinds of benefits which shall be paid pursuant to the Settlement, the allocation
11 of Settlement proceeds to the Settlement Class, and the fact that the Settlement represents a
12 compromise of the Parties' respective positions. The Court further preliminarily finds that the
13 terms of the Settlement have no obvious deficiencies and do not improperly grant preferential
14 treatment to any individual Class Member. Accordingly, the Court preliminarily finds that the
15 Settlement was entered into in good faith.

16 5. The Court finds that the dates set forth in the Settlement for mailing and
17 distribution of the Class Notice meet the requirements of due process and provide the best notice
18 practicable under the circumstances, and constitute due and sufficient notice to all persons entitled
19 thereto, and directs the mailing of the Class Notice by first class mail to the Settlement Class as
20 set forth in the Settlement. Accordingly, the Court orders the following implementation schedule
21 for further proceedings:

- 22 a. To the extent not already provided by Defendants to CPT Group, Inc.,
23 Defendants shall provide CPT Group, Inc. the appointed Settlement
24 Administrator, with: (a) An electronic database of all Class Members, last
25 known mailing address, Social Security number and Defendants' employee
26 identification number ("Class Members' Data"); and (b) Corresponding to
27 each Class Member's name, Defendants shall provide a figure indicating the
28 total number of Work Weeks during the Class Period in which Defendants

employed the Class Member. That number of Work Weeks shall be referred to as that Class Member's "Individual Work Weeks;" (c) If any of the Class Members' Data are unavailable to Defendants, Defendants will so inform Class Counsel and the Parties will make their best efforts to reconstruct or otherwise agree upon the Class Members' Data prior to when it must be submitted to the Settlement Administrator. Class Members' Data will otherwise remain confidential and will not be disclosed to anyone, except as necessary to applicable taxing authorities, or pursuant to Defendants' express written authorization or by order of the Court.

b. **Mailing of Class Notice.** Approximately fourteen (14) days after receiving the Class Members' Data, or as soon thereafter as it can do so, the Settlement Administrator will mail the Class Notice to all identified Class Members via first-class U.S. mail using the mailing address information provided by Defendants, unless modified by any updated address information that the Settlement Administrator obtains in the course of administration of the Settlement.

c. **Returned Class Notice.** If a Class Notice is returned because of an incorrect address, the Settlement Administrator will promptly, and not later than ten (10) days from receipt of the returned Class Notice, search for a more current address for the Class Member and re-mail the Class Notice to the Class Member. The Settlement Administrator will use the Class Members' Data and otherwise work with Defendants' Counsel and Class Counsel to find a more current address. The Settlement Administrator will be responsible for taking reasonable steps, consistent with its agreed-upon job parameters, court orders, and fee, to trace the mailing address of any Class Member for whom a Class Notice is returned as undeliverable by the U.S. Postal Service. These reasonable steps shall include the tracking of all undelivered mail; performing address searches for all mail returned without a forwarding address; and

If the Class Notice is re-mailed, the Settlement Administrator will note for its own records and notify Class Counsel and Defendants' Counsel of the date and address of each such re-mailing as part of a weekly status report provided to the Parties.

d. **Declaration of Settlement Administrator.** Not later than twenty-one (21) court days prior to the Final Approval Hearing, the Settlement Administrator will provide the Parties for filing with the Court a declaration of due diligence setting forth its compliance with its obligations under this Agreement. Prior to the Final Approval Hearing, the Settlement Administrator will supplement its declaration of due diligence if any material changes occur from the date of the filing of its prior declaration.

e. **Requests for Exclusion from Settlement; and Objections to Settlement.** Class Members may submit requests to be excluded from the effect of the Settlement, or objections to the Settlement, pursuant to the following procedures:

i. **Request for Exclusion from Settlement.** A Class Member may request to be excluded from the effect of this Agreement, and any payment of amounts under this Agreement, by timely mailing a letter to the Settlement Administrator stating that the Class Member wants to be excluded from this Action. This letter must include the Class Member's name, address, telephone number, and signature. To be valid and timely, the request to be excluded must be postmarked by the date specified in the Class Notice 60 days from the initial mailing of the Class Notice by the Settlement Administrator). A Class Member who properly submits a valid and timely request to be excluded from the Action shall not receive any payment of any kind in connection with this Agreement or this Action, shall not be bound by or receive any

The written objection should state the objecting Class Member's full name, address, and the approximate dates of his or her employment with Defendants. The written objection should state the basis for each specific objection and any legal support in clear and concise terms. The written objection also should state whether the Class Member intends to formally intervene and become a party of record in the action, and upon formally intervening, appear and argue at the Final Approval Hearing. However, the objectors will be provided with the opportunity to speak at the final approval hearing regardless of whether they have filed an appearance or submitted a written opposition beforehand.
